Pets are not permitted on-board LTC buses.

Service animals are permitted on buses if working in aid of the person making the trip.

This applies as follows:

- i) if it is readily apparent that the service animal is required by the person, given his/her disability, to make the trip; or
- ii) if the person provides a letter from a physician or nurse or an identification/certification card confirming that the person requires the service animal, given his/her disability, to make the trip.
